Ethan,

I'm glad we got to hear from you yesterday, even if it was only for 3 minutes. I'm glad your hanging in there for now, thing will be getting easier soon. Don't worry about the psyical exercize test, you will make it ok, you will be ~~surprised~~ Surprized in a few weeks about how good you become, I know I have been there. Just hang in there, thing will get a lot better after basic training, you might even start to like Army life.

Have you learned anything fun like Rifle training, Hand to hand combat, gernaid throwing or anything like that?

I cant wait till we can see you in person, we sure do miss you. I'll close for now to let Mom say a few words. Just Remember I will always be there for you, so do the best you can, things will get better, I Promise. (Love you)

Hi Baby Hope this finds you well.. Matt said to tell you he didn't do well at PT at first but he made it and so will you its just hard at first your body will adjust and just keep pushing yourself. I sure wish you could get your boots fixed

(over)

tell them you will pay with your money to get boots that don't hurt. Have you been eating good food? and your bowels doing better. Dad and I are going to lunch Tuesday Noon (tomorrow) in Greenwood because its Hannahs Birthday she 20yrs old. Wednesday we are leaving here and camping about 1 hr north of you for 5 days. Well better go for now. I Love you & miss you. Be strong "War Dog Ethan."

Love Mom & Dad
